

## Memory Verse Sandwich

The Story of the feeding of the five-thousand reminds us that if we trust and listen to Jesus like the crowds did then God will give us what we need. They needed to eat that day and Jesus provided food for all of them with the help of the boy and his picnic. Today we need to be friends with God and Jesus helps us to do that when we listen and trust in Him.

Make a Sandwich, maybe use coloured paper or card to make the filling or use normal paper or card and colour it in. What do you want to put in your sandwich? Maybe some tomatoes, ham, cheese or maybe fish just like the crowds had at the amazing picnic Jesus made.

Here's some bread to help get your sandwich started.
